## **Board Business:**

The Board briefly discussed the forum for the upcoming June meeting. MRB will provide a web link and phone number in order to allow the public to view, and or call if they wish to participate in the upcoming Public Hearings scheduled in the up-coming months. MRB will provide the PB secretary the necessary information in order to place it on the Town website, Facebook page, as well as send emails to those linked to the Town's news updates.

Lance Brabant, who was present via join.me web link, stated the weblink and call in number will always be the same for the Town, and will provide the information to the secretary.
